

Vale Junior School

Towards an e-confident school

The Vale Vision

We believe that in the e-confident school
ICT:

- is at the heart of pupils' learning
- can enhance standards in learning

The Vale Vision

We believe that in the e-confident school
ICT:

- should be taught to children so that they can master the basic skills
- should be taught by highly competent and confident staff

The Vale Vision

We believe that in the e-confident school
ICT:

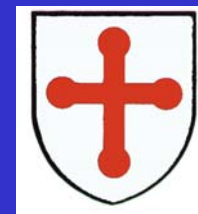

- allows children to be independent, collaborative and flexible learners
- is embedded in all schemes of work

The Vale Vision

We believe that in the e-confident school
ICT:

- can provide communication and learning to and from anywhere in the world

The Vale Vision

We believe that in the e-confident school
ICT:

- can reduce the workload of administrative tasks
- can impact on management issues

The Vale Vision

We believe that in the e-confident school
ICT:

- will continually change and that the school will need to keep abreast of the changing technology

At Vale Junior School we are presently:

At Vale Junior School we are presently:

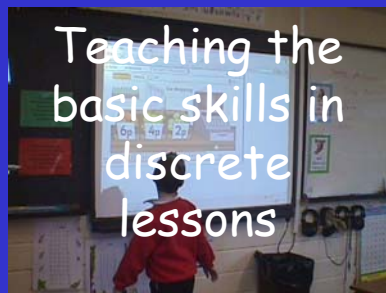

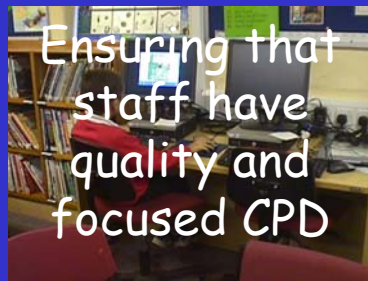

At Vale Junior School we are presently:

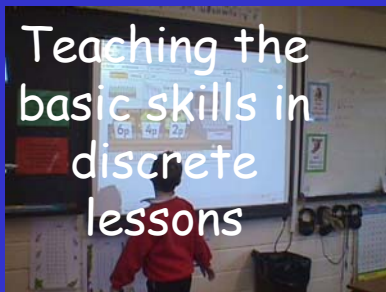

At Vale Junior School we are presently:

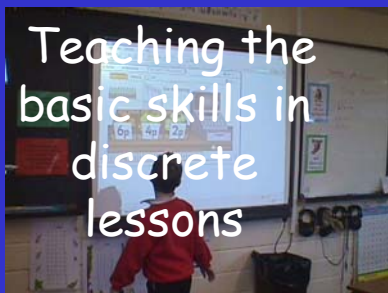

At Vale Junior School we are presently:

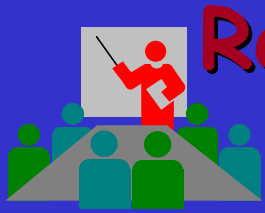

At Vale Junior School we are presently:

At Vale Junior School we are presently:

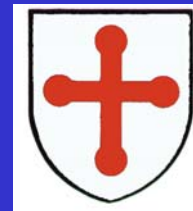

Resources we have invested in are:

- SMARTboards
- Digital cameras
- Video cameras
- Wireless Network
- SIMs
- Professional development for all staff

We aim to move Vale Junior School forward strategically by:

- creating teams who are responsible for specific areas of the ICT Development Plan
- the teams utilising staff expertise and interest

Teams have been created to:

- remodel teaching, learning and assessment through Assessment for Learning principles

Teams have been created to:

- remodel teaching, learning and assessment through Assessment for Learning principles
- create a school web site

Teams have been created to:

- remodel teaching, learning and assessment through Assessment for Learning principles
- create a school web site
- improve data analysis

Teams have been created to:

- remodel teaching, learning and assessment through Assessment for Learning principles
- create a school web site
- improve data analysis
- upgrade resources

Through this strategic development of ICT Vale Junior School will become an e-confident school.
